Dear participants in the study abroad program,

we would like to welcome you to Germany on behalf of Kiel University. We greatly enjoy hosting you for the duration of this year's study abroad program.

The Intensive Language Program that is being offered will help you to improve your German language skills. We also hope that the extracurricular activities and cultural program will give you an insight into the German lifestyle.

We created a schedule that perfectly joins your classroom activities with trips to experience the regional history of Schleswig-Holstein and other social activities such as our sailing trip.

The cooperation between the University of Utah and Kiel University has always been influenced by the great personal commitment of the students and university personnel involved to make this summer program a successful and special event year after year.

We certainly hope that you will have an excellent time and an interesting stay in Kiel.

Warm regards,

Dr. Martina Schmode
Director

Jan Bensien

Excursion to Hamburg

<http://www.hamburg.de>

Hamburg, City and Land (state), is located on the Elbe River in northern Germany. It is the country's largest port and commercial center. Among Hamburg's many facets are a network of canals reminiscent of Amsterdam; lakes, parks, and verdant suburbs full of gracious houses; elegant shopping arcades; richly endowed museums; and a vibrant cultural life.

Schedule will be announced later.

Thursday, May 30 until Sunday, June 2

Excursion to Berlin

<http://www.berlin.de>

After the fall of the Wall, Berlin became the capital of unified Germany and a building boom began in the 1990s that included more than 30 major construction works in the east of the city. It has also become to be considered by many as the cultural capital of Central and Eastern Europe, excelling in every field but in particular those of dance/electronic music, contemporary art and dance, and classical and orchestral music. Berlin has three opera houses, over 150 theatres and playhouses, over 170 museums and collections and over 200 private galleries.

Berlin also occupies a special place in Europe as an extremely liberal, socially progressive and tolerant city, placed in the heart of the continent, where East meets West. Schedule will be announced later.

Saturday, June 8

Sailing with the International Center's sailing boat in the afternoon

Saturday, June 8

6:45 p.m.

Ballet CREATIONS at Theater Kiel

Meeting point will be in front of Opernhaus Kiel
Address: Rathausplatz 4, 24103 Kiel

BE ON TIME!

Monday, June 10

Excursion to Lübeck

<http://www.luebeck.de>

Visit with us one of the best preserved medieval cities in Schleswig-Holstein with its fascinating history. Lübeck was home to the famous author Thomas Mann (Die Buddenbrooks) and is well known for the Niederegger Marzipan.
Schedule will be announced later.

Friday, June 14 (optional)

Excursion to Schleswig and the Viking settlement of Haithabu

Schedule will be announced later.

Saturday, June 15 and Sunday, June 16

Time for individual travelling

Wednesday, July 19

General Information an A-Z guide to Kiel

ATM

ATMs are located throughout Kiel. You should have no trouble getting cash with the same bank card you use at home. If you use a credit card for a cash advance (or even just make a withdrawal with normal debit card), be aware of the fees, which can be exorbitant. The machines are operated by different banks, and each sets its own fees. In any case, as of 2011, banks have been required to display their fees directly on the machine at the time of withdrawal so that you can take the fees into account. To find ATMs, search for 'Geldautomaten Kiel' on Google maps. Next to Campus Suite at the Westring, there is an ATM operated by Förde Sparkasse.

Beaches

Schilksee

- take bus 33 or 502 to bus stop "Drachenbahn" or the 501 "Olympiazentrum"

Lazing around in a "Strandkorb", watch the yachts sail by or jump into the Baltic Sea for a refreshing swim... you have the choice!

Falckenstein

- take bus 502 to bus stop „Brauner Berg" or "Kreuzung Pries", after a short walk you will reach the beach.

It is the longest beach in Kiel and you have a fantastic view on the cruise boats passing by. It is also well known for its beach volleyball fields. At Falckenstein there is also the opportunity to wind and kite surf. More information at <http://www.westwind-kiel.de/>

Other nice beaches

You can reach most of the beaches by ferry, it takes a bit longer but it is much more fun to take the way over the

9

water instead of sitting in the bus. Times of the ferry departure can be found here:

<http://www.sfk-kiel.de/de/faehrlinien/foerde/>

For more beaches: <https://www.kiel-sailing-city.de/kieler-foerde-entdecken/ausfluege/straende.html>

Biking

In Germany it is not only a popular sport but it is also a very convenient means of transportation. There are bicycle lanes alongside the car lanes virtually everywhere throughout most of Germany's cities and towns. Cars and bikes have to obey the same traffic rules. Make sure to use common hand signals when turning left or right.

Bike rental/ bike shops

You may rent a bike for a week or a few days. Prices are between 8-15 € per day. However if you'd like to bike more often we suggest you get yourself a used bike. A city bike from a bike shop can be bought for about 50 - 100 €. You may however be able to make a good deal on one of the local flea markets (section 'flea markets'). You can also check the black boards in the cafeterias for students selling their bikes. There are quite a lot of bike shops and rentals, usually all in one, in Kiel. To find the one closest to you go to www.gelbseiten.de (yellow pages) and type in "Fahrradverleih" (bike rental) or "Fahrradladen" (bike shop) and "Kiel". You can add your postal code to get results in closer proximity. You can also try the Kieler "Umsteiger" at the main train station which rents out bikes.

Exploring the city and the surroundings by bike

The city of Kiel have compiled suggestions for little tours throughout Kiel which can be done by foot or by bike. They are called "The Blue Path" and "Grüne Wege" (green paths, which is a collection of routes sorted by city area):

https://www.kiel.de/de/kultur_freizeit/kiel_erkunden/radtouren/radtouren.php

If you are more adventurous and would like to explore more of Schleswig-Holstein by bike we suggest you to try the "Ostseeküsten-Radweg" (Baltic coast bicycle track). Official bicycle tracks are usually signposted. Special biking maps for these paths and others throughout Kiel's urban hinterland are easily available in bigger book shops. More information on biking in Schleswig-Holstein: www.ostsee-schleswig-holstein.de/de/radfahren

Helmets

You'll see many bikers in Germany wearing helmets. It is not considered goofy or nerdy. The police recommends them but they are not obligatory yet. You can buy a helmet for 20 € or more in bike shops or larger department stores.

Locks

When leaving your bike, always make sure to lock it properly with a well functioning lock to a pole, fence, etc. Bikes are regularly stolen if not locked sufficiently or if not locked with a proper lock. We suggest to get either a good steel jacketed cable lock, a U-lock or if you choose to get a fancy bike maybe even an O-lock /bike club. You should invest at least 20 to 30 € in a good lock. If you live in the city or in a student area, always make sure to also lock your bike properly at home (even in a locked bicycle storage room, in a backyard to a pole, etc.).

Campus Card

If you want to be quick, you need the Campus Card. With the card, you can pay cash-free at the dining halls and cafeterias on campus, as well as at most photo-copiers. You can charge up the card or check your balance at stations located in the dining halls.

The Campus Card will be provided at the orientation program.

Flea Markets

There is a regular flea market all throughout Kiel's town centre every first Sunday of the month. The treasure hunters will be up early for this regular event looking for clothes, jewelry, tableware, furniture, vintage vinyls, and what not.

Some flea markets are for surfing material, biking, baby/mother gear, etc. only.

Garbage Disposal

In Germany, the waste needs to be separated into paper (blue bin), recyclable waste/plastic (yellow bag), organic waste (brown or green bin) and residual waste (grey).

Please separate your waste into the correct bins, not only at your dormitory but also at the University buildings and everywhere you go. Empty glass bottles go into the waste glass container. Batteries are special waste.

Festivals

Schleswig-Holstein Music Festival

Since its inception in 1986, the Schleswig-Holstein Musik Festival (SHMF) has been among the most spectacular international cultural events in the world. Instead of renowned concerts taking place in the usual concert halls and opera houses, they are set in beautiful castles and manors, in barns and stalls, in the most spectacular churches of Schleswig-Holstein and even in unusual locations such as shipyards and industrial halls. From 1996 to 2013, the artistic concept of the SHMF was to select a feature country for each year and highlight its music and culture. This took them around the globe; from Finland to Japan, from the USA to Russia. With the new director, Dr. Christian Kuhnt, the festival was blazing new trails in 2014 by highlighting a specific composer for each year. This year, many stars will be focusing their attention on the work of Joseph Haydn. The SHMF seeks to build bridges between music and people, to joyfully connect artists with the festival and to give audiences access to great musicians.

<http://www.shmf.de/de>

The ticket reservation for all our concerts can be done by post, email (bestellung@shmf.de), Fax or by filling in our online application form.

More music festivals in Germany and Europe can be found through the "Festival Guide" www.festivalguide.de
