Dear participants in the study abroad program,

we would like to welcome you to Germany on behalf of Kiel University. We greatly enjoy hosting you for the duration of this year’s study abroad program.

The Intensive Language Program that is being offered will help you to improve your German language skills. We also hope that the extracurricular activities and cultural program will give you an insight into the German lifestyle.

We created a schedule that perfectly joins your classroom activities with trips to experience the regional history of Schleswig-Holstein and well as the city of Berlin.

The cooperation between the University of Utah and Kiel University has always been influenced by the great personal commitment of the students and university personnel involved to make this summer program a successful and special event year after year.

We certainly hope that you will have an excellent time and an interesting stay in Kiel.

Warm regards,

Dr. Martina Schmode  
Director

Jan Bensien  
Program Coordinator

Excursion to Hamburg

https://www.hamburg.com/

Hamburg, City and Land (state), is located on the Elbe River in northern Germany. It is the country’s largest port and commercial center. Among Hamburg’s many facets are a network of canals reminiscent of Amsterdam; lakes, parks, and verdant suburbs full of gracious houses; elegant shopping arcades; richly endowed museums; and a vibrant cultural life.

Schedule will be announced later.

Saturday, June 3 and Sunday, June 4

Time for individual travelling

Thursday, June 8 until Sunday, June 11

Excursion to Berlin

https://www.berlin.de/en/

After the fall of the Wall, Berlin became the capital of unified Germany and a building boom began in the 1990s that included more than 30 major construction works in the east of the city. It has also become to be considered by many as the cultural capital of Central and Eastern Europe, excelling in every field but in particular those of dance/electronic music, contemporary art and dance, and classical and orchestral music. Berlin has three opera houses, over 150 theatres and playhouses, over 170 museums and collections and over 200 private galleries. Berlin also occupies a special place in Europe as an extremely liberal, socially progressive and tolerant city, placed in the heart of the continent, where East meets West.

Schedule will be announced later.
Friday, June 16

Excursion to Lübeck

https://www.luebeck.de
Visit with us one of the best preserved medieval cities in Schleswig-Holstein with its fascinating history. Lübeck was home to the famous author Thomas Mann (Die Buddenbrooks) and is well known for the Niederegger Marzipan. Schedule will be announced later.

Saturday, June 17

Sailing with the International Center’s sailing boat

Friday, Jun 23 (optional)

Excursion to Schleswig and the Viking settlement of Haithabu
Schedule will be announced later.

Saturday, June 24 and Sunday, June 25

Time for individual travelling

Wednesday, July 28

Farewell Dinner

Thursday, June 29

Departure of students

Times for check out will be scheduled a couple of days in advance.

ATM
ATMs are located throughout Kiel. You should have no trouble getting cash with the same bank card you use at home. If you use a credit card for a cash advance (or even just make a withdrawal with normal debit card), be aware of the fees, which can be exorbitant. The machines are operated by different banks, and each sets its own fees. In any case, as of 2011, banks have been required to display their fees directly on the machine at the time of withdrawal so that you can take the fees into account. To find ATMs, search for ‘Geldautomaten Kiel’ on Google maps. Next to Campus Suite at the Westring, there is an ATM operated by Förde Sparkasse.

Beaches
Schilksee
- take bus 13 or 30S to bus stop “Drachenbahn” or “Olympiazentrum”
Lazing around in a “Strandkorb”, watch the yachts sail by or jump into the Baltic Sea for a refreshing swim … you have the choice!

Falckenstein
- take bus 13 to bus stop „Brauner Berg“ or „Kreuzung Pries“, after a short walk you will reach the beach.
It is the longest beach in Kiel and you have a fantastic view on the cruise boats passing by. It is also well known for its beach volleyball fields. At Falckenstein there is also the opportunity to wind and kite surf. More information at https://www.westwind-kiel.de/

Other nice beaches
You can reach most of the beaches by ferry, it takes a bit longer but it is much more fun to take the way over the water instead of sitting in the bus. Times of the ferry departure can be found here:
http://www.sfk-kiel.de/de/faehrlinien/foerde/

Biking

In Germany it is not only a popular sport but it is also a very convenient means of transportation. There are bicycle lanes alongside the car lanes virtually everywhere throughout most of Germany’s cities and towns. Cars and bikes have to obey the same traffic rules. Make sure to use common hand signals when turning left or right.

Bike rental / bike shops

You may rent a bike for a week or a few days. Prices are between 8–15 € per day. However if you’d like to bike more often we suggest you get yourself a used bike. A city bike from a bike shop can be bought for about 50–100 €. You may however be able to make a good deal on one of the local flea markets. You can also check the black boards in the cafeterias for students selling their bikes. There are quite a lot of bike shops and rentals, usually all in one, in Kiel. To find the one closest to you go to https://www.gelbeseiten.de (yellow pages) and type in “Fahrradverleih” (bike rental) or “Fahrradladen” (bike shop) and “Kiel”. You can add your postal code to get results in closer
proximity. You can also try the Kieler “Umsteiger” at the main train station which rents out bikes.

**Exploring the city and the surroundings by bike**
The city of Kiel have complied suggestions for little tours throughout Kiel which can be done by foot or by bike: [https://www.kiel.de/de/kultur_freizeit/kiel_erkunden/rdtouren/index.php](https://www.kiel.de/de/kultur_freizeit/kiel_erkunden/rdtouren/index.php)

If you are more adventurous and would like to explore more of Schleswig-Holstein by bike we suggest you to try the “Ostseeküsten-Radweg” (Baltic coast bicycle track). Official bicycle tracks are usually signposted. Special biking maps for these paths and others throughout Kiel’s urban hinterland are easily available in bigger book shops. More information on biking in Schleswig-Holstein: [https://www.ostsee-schleswig-holstein.de/cycling](https://www.ostsee-schleswig-holstein.de/cycling)

**Helmets**
You’ll see many bikers in Germany wearing helmets. It is not considered goofy or nerdy. The police recommends them but they are not obligatory yet. You can buy a helmet for 20 € or more in bike shops or larger department stores.

**Locks**
When leaving your bike, always make sure to lock it properly with a well functioning lock to a pole, fence, etc. Bikes are regularly stolen if not locked sufficiently or if not locked with a proper lock. We suggest to get either a good steel jacketed cable lock, a U-lock or if you choose to get a fancy bike maybe even an O-lock /bike club. You should invest at least 20 to 30 € in a good lock. If you live in the city or in a student area, always make sure to also lock your bike properly at home (even in a locked bicycle storage room, in a backyard to a pole, etc.).
Emergency Numbers

Police  phone: 110
Fire Brigade  phone: 112
Ambulance (emergencies only!)  phone: 112
Main gate Kiel University (emergencies only!)  phone: 2222

Flea Markets

There is a regular flea market all throughout Kiel’s town centre every first Sunday of the month. The treasure hunters will be up early for this regular event looking for clothes, jewelry, tableware, furniture, vintage vinyls, and what not: https://www.kiel.de/de/kultur_freizeit/marke/flohmarkt.php.

Some flea markets are for surfing material, biking, baby/mother gear, etc. only.

Garbage Disposal

In Germany, the waste needs to be separated into paper (blue bin), recyclable waste/plastic (yellow bag), organic waste (brown or green bin) and residual waste (grey). Please separate your waste into the correct bins, not only at your dormitory but also at the University buildings and everywhere you go. Empty glass bottles go into the waste glass container. Batteries are special waste. Find more information on https://www.abki.de/home.html
