**Consent to the collection, processing and use of personal data**

*In order to adhere to the requirements of the Maternity Protection Act (Mutterschutzgesetz), Kiel University must collect personal data from students who are pregnant or nursing. By notifying us regarding a pregnancy or nursing, you give your consent that the university may store and process the personal data contained in the application. Saving and processing the data collected here is carried out in accordance with the Data Protection Act. The data is forwarded to the national occupational health and safety authority at the Unfallkasse Nord, in their capacity as the supervisory authority. Other than this, the data will not be passed on to third parties.*

*Consent to data collection can be revoked with effect for the future (Section 12 (2) of the State Data Protection Act of Schleswig-Holstein). However, this may mean that the university is unable to adhere to the provisions of the Maternity Protection Act. You are also entitled to information on your stored personal data at any time.*
